

The background features several thick, black, hand-drawn lines that create an abstract, organic pattern. These lines vary in thickness and direction, some crossing each other to form open shapes and others curving gracefully. The overall effect is minimalist and artistic.

The background features several thick, black, hand-drawn lines that create a sense of movement and depth. On the left, a line starts from the top and curves downwards, crossing another line that enters from the bottom. On the right, there are two distinct shapes: a wavy, horizontal line near the top and a larger, more complex looped shape below it. The overall effect is minimalist and artistic.
